The writing on the wall

What happens between the end of Daniel 4 and the beginning of Daniel 5?

Who was Nabonidus?

Who is Belshazzar?

What happens at the end of Daniel 5? See verses 30-31

How old is Daniel in Chapter 5?

Who is feasting with Belshazzar?

What does Belshazzar ask to be brought in?

What do they do as the drink? See v4

Why might Belshazzar have brought out the goblets from Jerusalem?

How does Belshazzar respond when he sees the fingers writing on the wall?

What does the queen say to the king?

What does Daniel say to the offer of gifts?

What does Daniel remind the king about?

Why has God written the inscription?

What do the words on the wall mean?

Where else in the Bible does God write with his finger?

In what way is our world today like Belshazzar's feast?

Why was Belshazzar without excuse?

What more do we know now?

When will God step again into the world visibly and dramatically?

How can you be safe when God weighs your life?
