Keith Munday - Carey Baptist Church – 14 June 2009

A) Introduction

How long ago is 2 Kings 5 set?

What were the local kingdoms around Israel?

Who was God's prophet of the day and what was his message?

B) Meet Naaman

Which kingdom did he serve?

Who had made him a great soldier?

C) Meet SBV (Small-Brave-Voice)

Where did she come from?

How did she end up serving Naaman's wife?

D) Naaman's Life Changing Experience

What was Naaman's problem?

In what ways was SBV so brave to speak up?

Why was it such a big step for Naaman to go to Israel?

How would you rate King Joram as Israel's leader?

Who came to Joram's rescue?

Why was Naaman so incensed?

What needed to be overcome for him to be cleansed?

What else was Naaman cured of that day?

E) What has SBV got to teach Christian believers today?

As an isolated believer?

As a slave?

As an employee?

In how she cared?

In how she was brave?

F) How could unbelievers be inspired by God's goodness to Naaman?

As a leader?

As someone wealthy and respected, yet with great need?

As someone challenged by an sbv!

As someone with misguided expectations of how God should help?

As someone who's anger and pride were overcome?

As someone who was changed for God's great purposes?

And all because, a small brave voice spoke up for the Lord.....
