**Introduction**

- What are some of the great features of the way God has saved us?
- What sobering truth did we see in v1?
- And what exhilarating truth did we see in v4-5?

**i The way we are saved (v8-9)**

- What in v8 is the cause of our salvation?
- What is the ultimate answer to the question, “Why are you saved?”?
- What is the channel by which salvation comes to us?
- What does the “this” in v8 refer back to?
- How should we respond to that?
- What should the fact that our salvation does not depend upon any of our works do to us (see v9)?
- How should we live in the light of v8-9?
- What do these verses mean to you if you are not a Christian?

**ii The reason we are saved (v10)**

- What does it mean that we are God's workmanship?
- How does v10 show that we are not just repair jobs as Christians?
- Which other verse speaks about being new creations in Christ?
- For what purpose are we saved?
- What has God prepared for us to walk in?
- Give some examples of good works which Christians might do...
  - at school
  - at university
  - at work

- at home
  - at church
  - in retirement
  - when facing the end
- What is the first lesson we ought to learn from v10?
  - What is the second lesson we can learn from v10?
