What causes joy to wither?

What events happening in the world today cause you to feel unsettled and afraid?

When and where did Joel live?

What has happened in Judah?

What are the effects on the people?

What does the end of v12 say has withered away?

What two things does Joel want the people to do?

What is repentance?

What warning was given in Deuteronomy 28 (see v38 and v42) for disobedience?

What principles can we apply from Joel to our own lives and our own time?

What does the locust plague force the people of Judah to do?

What things can be teachable moments for people today?

What events have been teachable moments for you personally?

What is David doing in Psalm 51?

What often needs to happen before we repent of our sin?

What is v15 looking ahead to?

How can we be forgiven?
