Colossians 3:15-17

Thankfulness and Unity

Give thank for the peace of Christ in you (v15)

What does it mean for us to let the peace of Christ rule in our hearts?

Can you think of a situation recently where the peace of Christ needed to act as an umpire or referee in the way you responded?

Give thanks for the word of Christ in you (v16)

What two aspects of serving one another with the word does Paul call believers to in this verse?

Why is it important that our music team consider carefully what songs we will sing as a church?

Give thanks for the life of Christ through you (v17)

Why should believers serve one another in both word and deed?

What truth about Christ will you share with someone in this coming week?

How will you show grace to someone this coming week?
